

O R R E R Y

This Winter, we're brining you a taste of Les Alpes with our Alpine terrace taking inspiration from the rustic chalets that dot France's mountain slopes. As the long nights draw in, settle into the alpine terrace for an evening drink with our three bespoke serves by Courvoisier. Each evening, Diptyque candles will be lit around the terrace, filling the air with the fragrance of alpine forest and notes of cypress, honey and resin.
